For using your own computer

Graduate Students can use the LAN network with their own computers on campus.

All Student Study Rooms in Shiko-kan have wired internet connection. There are also many free wireless LAN spots on campus. For further details, including connection methods, refer to “PC-Network-Multimedia use guidance” on the Doshisha University website (in Japanese only) or leaflets available at the GSGS Office.

Doshisha University provides each student with a “Notification of User ID.”

To use the Doshisha network service, REGULAR students must pass a network examination after admission to Doshisha University.

Free Printouts

Doshisha University provides all students with 1,600 yen worth of free printouts per year; students can print out 400 copies (black/white, A4 size, 4 yen/sheet). The balance is initialized each year at the end of March; 1,600 yen worth of free printouts is provided on April 1. Note that unused free printouts cannot be carried over from year to year.

If you use all your free printouts, you may recharge at the certificate-issuing machine located in Shiko-kan, 1F.
