

シリーズ「グローバル・ジャスティス」第70回  
Global Justice Conference

# Ethics of the digital transformation in times of peace and war

The conference will discuss the opportunities, challenges and risks of digital technologies for peace, including human rights, from a critical perspective.

In what kind of society do we want to live, and what values do we consider key for the future?  
And consequently: For what purposes should we use digital technologies (and for which not)?

Lecturer :

Prof. Evelyne Tauchnitz

Senior Researcher at the Institute of Social Ethics ISE at the University of Lucerne, Switzerland, and Senior Fellow at the Centre for International Governance Innovation (CIGI)  
Expert on Ethics, Digital Technologies, Global Governance and Human rights.

Date : 29 September, 2023
